### About HeavenlyCrumbs

We are passionate artisans dedicated to creating unforgettable cake experiences for your most cherished celebrations.

#### Our Story

HeavenlyCrumbs began as a small home bakery in 2018, when our founder Shendy Tria decided to turn her lifelong passion for baking into something more. What started as creating special cakes for friends and family quickly blossomed into a beloved artisanal bakery.

Inspired by elegant aesthetics and a commitment to quality, Shendy developed our signature blue marble designs and gold leaf decorations that have become our trademark. Every cake we create tells a story and is crafted with the same love and dedication as those first homemade creations.

Today, HeavenlyCrumbs has grown to serve customers nationwide, but we maintain our commitment to handcrafted quality and personalized service. We believe that every celebration deserves something extraordinary, and we pour our hearts into making each cake a masterpiece.
